

Member Communication & Engagement With the SSBA

OUR EVENTS & ACTIVITIES – WE NEED YOUR ENGAGEMENT

Our priorities are largely based upon the resolutions passed by the membership and the feedback/direction provided by our councils, committees and Working Advisory Groups (WAGs). Members are encouraged to get involved by:

- Attending **Spring & Fall Assemblies, Trustee Academy & Other Events**
 - Share in the networking opportunities
 - Discuss, debate and vote at the AGM
 - Visit our services booth
 - Engage in professional development & learning opportunities
- Review the materials and accountability documents
- Bringing items and information forward to the **Board Chairs Council** through your Board Chair and attending **Indigenous Council**
- Participating directly in **Committees and WAGs**
 - We are now using committee-based "Teams" in Microsoft Teams for more effective collaboration, communication, and document sharing
- Completing **Surveys and Evaluations** to provide direct input and feedback
