

Community Garden Upgrade

EXPANDING SCHOOL FOOD INFRASTRUCTURE IN MEADOW LAKE

Meadow Lake Outreach Ministries is committed to alleviating hunger and food insecurity in the community. By enhancing the Jubilee Community Garden, they are working with Northwest School Division's area school to increase the amount of nutritious food available for students.

With the purchase of new equipment, the community garden is now able to produce and store more food for the school program, share surplus with families, and help make traditional Indigenous meals for feasts and family meals.

Investment

\$8,608

Purchased

commercial grade equipment and storage

Impact

the community garden grows enough produce to supplement the school snack and lunch programs

Meals

school meals and snacks include locally grown organic fruits and vegetables

Participation

now serving 310 students a day

Partnerships

3 new partners and more community connections
