DISPUTE RESOLUTION AND GRIEVANCE PROCEDURE

Section 17

17.1 Purpose

The purpose of the dispute resolution and grievance procedure is to deal with any questions regarding the interpretation, application, or alleged violation of any section or subsection of this agreement. Resolution processes shall be consistent with the principles and procedures outlined in *Good Practices and Dispute Resolution* (The Report of the Joint Committee of the Parties to the Provincial Collective Bargaining Agreement).

17.2 Disputes between a Teacher and the Board

Informal

- Step 1: The teacher involved shall first attempt resolution by seeking information and clarification from those individuals who are most likely able to provide such information and clarification. This may include but is not limited to a LINC representative, the Teacher LINC Chairperson, the CTA president, the Superintendent of Schools and the Director of Education.
- Step 2: If after such discussions a dispute still exists, the teacher(s) involved shall refer the dispute to the LINC Chairperson and shall seek resolution by using (a) or (b) below:
 - a) The LINC Chairperson receives the complaint, gathers information and makes known his/her interpretation to the individual(s) involved.
 - b) The LINC Chairperson follows the process outlined in (a) but meets face-to-face with the individual(s) involved before making a final interpretation regarding the dispute.
 - c) In each of (a) and (b), the LINC Chairperson shall have fifteen (15) calendar days to make known his/her interpretations of the dispute.

Formal

Step 1: If a dispute still exists, the dispute now becomes a formal grievance and shall be written by the individual(s) involved setting forth:

- a) The section(s) of the agreement infringed upon or claimed to have been violated.
- b) The nature of the grievance and the circumstances out of which it has arisen.
- c) The resolution being sought.

The written grievance shall be submitted to the Director or Designate within ninety (90) days of the individual(s) having access to the information that would make them aware of the alleged act causing the grievance. The Director or Designate shall gather information as appropriate and shall make known his/her decision to the aggrieved within fifteen (15) days of receipt of the grievance.

Step 2: If the aggrieved is still dissatisfied, the individual may within fifteen (15) days submit the grievance to arbitration as provided for in Sections 261-263 of *The Education Act, 1995*.

Step 3: Arbitration.

17.3 In the event the initiator of the grievance fails to follow the procedure and the time limits established in this section, the grievance shall be deemed to be abandoned.

17.4 Where the recipient of the grievance fails to respond within the time limits prescribed, the grievance shall proceed to the next step.

Section 20

20.1 Definition

The Deferred Salary Leave Plan (DSLPL) shall enable a teacher to schedule and finance a one year leave of absence. The one-year leave of absence shall be taken with pay, provided by deferring a percentage of his/her salary for a specified number of preceding years.

20.2 Eligibility

The DSLPL shall be available for teachers on a permanent contract employed in Chinook School Division.

20.3 Restrictions

The DSLPL shall be restricted to a one-year leave of absence called the leave period. Salary will be set aside in each of the preceding three (3), four (4) or five (5) years called the deferral period. The participant shall choose one of the three available deferral periods.

20.4 Leave Period

The leave period shall be one (1) school year from the commencement of school in August or September to June of the following calendar year.

20.5 Deferral Period

The deferral period of three (3), four (4) or five (5) years shall be each of the three (3), four (4) or five (5) school years preceding the leave period.

20.6 Applications

20.6.1 Applications must be completed by the teacher prior to March 1st preceding the school year in which the deferral period is to begin. Applicants shall be notified within forty-five (45) days of receipt of their application as to whether or not their application has been approved.

20.6.2 When the application is approved, the teacher shall be required to sign a deferred salary contract supplied by the Board. The deferred salary contract must be completed prior to June 1st of the school year preceding the first year of the deferral period.

20.7 Withdrawal from Plan

Teachers shall be required to take the planned leave of absence if they have not withdrawn from the plan prior to March 1st of the school year preceding the leave period.

20.8 Premature Termination of DSLP

If the plan is terminated prior to the completion of the leave period, the remaining balance of the fund shall be paid to the participant, to the participant's designate, or the estate of the participant in the case of death.

The reasons for termination are as follows:

- the participant dies;
- garnishee or other legal right accesses the funds in the trust;
- the participant ceases to be employed as a teacher in the school division;
- the teacher is classified as redundant;
- the participant requests in writing prior to March 1st of the year preceding the leave year; or
- the participant requests in writing after March 1st of the year preceding the leave year except that the participant must complete the leave of absence period from the school division. In this case, the money will be paid out in a lump sum rather than over the term of the leave period.

20.9 Leave Period and Payment

- 20.9.1 The leave period shall be the fourth (4th), fifth (5th) or sixth (6th) school year of the plan depending upon which deferral period the participant has chosen.
- 20.9.2 The leave period shall commence with the beginning of the school year immediately after the end of the last school year of the deferral period.
- 20.9.3 The leave period cannot be taken immediately before retirement as per *Canada Revenue Agency* – ATR (Advance Income Tax Ruling) -39.
- 20.9.4 The leave payments shall be the amount of money in the bank account at the beginning of the leave period divided by the number of pay periods during the leave period. For participants on the ten (10) month salary plan, there shall be ten (10) payments; for participants on the twelve (12) month salary plan, there shall be twelve (12) payments.
- 20.9.5 Leave payments shall be made to the banking institution of the employer's choice.
- 20.9.6 In extenuating circumstances, participants may request in writing not less than six months in advance of the date established for the Leave of Absence to withdraw from the plan. The participant will receive a lump sum payment of the total deferred amount upon consent of the Board. Deductions shall be made in accordance with requirements of the *Income Tax Act*.
- 20.9.7 The participant may not receive any other payments from Chinook School Division during the leave period.

20.10 Return to Work

- 20.10.1 The participant shall be guaranteed a position of employment in the first school year after completing the leave of absence except in the event of termination as outlined in 20.8.
- 20.10.2 The position cannot be for less time than the period of the leave (i.e. for one school year).

20.10.3 The position shall be at the discretion of the Director or Designate.

20.11 Limitation to the DSLP

There shall be no more than ten (10) participants on a deferred salary leave plan at any one time.

PREPARATION TIME

Section 21

21.1 Preparation time is assigned non-teaching time within the school day for preparation and organization of professional responsibilities. Potential uses include:

- preparation for classes
- student assessment / evaluation
- contacting parents
- organizing / clean-up / maintenance
- additional student assessment
- meetings: student, parent, administration
- extracurricular preparation

21.2 The parties acknowledge that all schools within the Chinook School Division have been allocated staff in accordance with the Chinook Staffing Guidelines to provide preparation time for teaching staff. Non student contact days in Chinook are not calculated as part of a school's allocated preparation time. Through the Chinook Staffing Guidelines, preparation time is embedded consistently in the school staffing allocation; these guidelines are consistently applied throughout the division.

- as much as possible use of preparation time should be directed by teachers;
- preparation time is created by timetabling and optimal class sizes;
- preparation time should be determined at the school level. The administration should consult with staff to make decisions that are best for each school
- Hutterite religious days are considered additional preparation time for Hutterian teachers and for Hutterian principals to use for administrative time and other division assigned duties.

REVIEW CLAUSE

Section 22

The parties agree to meet each April for an annual review of the contract or upon written request to either party with thirty (30) days' notice to discuss issue(s) and to clarify the intent of items that may arise from this contract. As much as possible the original LINC Administrative and LINC CTA team will be brought together for the review process.

Specifically, the parties will examine the apportioning of professional development funds that have been allocated in this contract.

MEMORANDUM OF AGREEMENT

RE: Special Allowances

The parties to this agreement recognize that the proposed changes to the special allowances of teachers may inadvertently impact the present allowances of these teachers. No teacher who presently receives a special allowance shall suffer a reduction of their current allowance. Since the last LINC agreement, the Hutterite Coordinator and Human Resource Coordinator have become Superintendent positions. This move is in line with Article 9 of the Provincial Collective Bargaining Agreement (Designation of Out-of-Scope Personnel). With the restructuring of the Student Services and **Technology departments**, and the assignment of both Curriculum and Student Services to one Superintendent, additional support to this Superintendent is required. Designated coordinators will have more supervisory and leadership responsibilities than the remaining coordinators. These coordinators will be Level 1 Coordinators. These positions will be reviewed on an annual basis.

MEMORANDUM OF AGREEMENT

RE: Laptop Professional Development Program

The parties acknowledge the value of fully utilizing professional development funding resources made available through this agreement. The parties recognize that re-deployment of unused carry forward financial resources to legitimate alternate professional development uses is desirable. During the 2014/15 fiscal year Chinook School Division will develop and implement sustainable procedures to facilitate an "Earn your Laptop" initiative. The initiative will provide Chinook purchased laptops to eligible teachers, on permanent contracts, through a combination of re-deployed PD funding and Chinook resources. Teachers will have the opportunity to earn their own laptop through voluntary participation in professional development activities targeted to use of technology for enhanced instructional purposes.
