Optional Smudging Ceremony:
Smudging is a tradition observed by many Indigenous cultures which involves the use of one or more medicines gathered from the earth. Indigenous Peoples in Saskatchewan generally use sweetgrass, sages, cedars and other plants for smudging. To smudge is an act of purifying the mind and physical surroundings. Smudging provides an opportunity for people to stop, slow down, and become mindful and centered. This allows people to remember, connect and be grounded in the event, task, or purpose at hand. Everyone is invited to attend the smudging ceremony.
