

# 2020 SSBA Executive Elections

## Advance Nomination

---

**Position:** Central Constituency Representative  
**Candidate Name:** Christine Gradin  
**Candidate Board:** Horizon  
**Nominator Name:** James Hack  
**Nominator Board:** Horizon

I am a farmer residing in the Hendon area with my Husband Jamie and our four children, Jesse, Austin, Kalen & Presley.

I grew up in Guernsey, Saskatchewan and attended Elementary School there, followed by High School in Lanigan, SK. I then started my working career with Humboldt Rural School Division back in 1999 just out of Business College, and worked in many different capacities including Receptionist, Payroll Clerk, and Accounting Clerk for the Humboldt Rural School Division (as well as doing some work with the Humboldt School Division No. 104). During my time in Humboldt I decided that I would then take my Certificate in Local Government Administration which qualifies you to become a Secretary-Treasurer for a School Division. In 2003, I then took a chance and applied for a position to become the Secretary-Treasurer for the Wadena School Division and was successful! It was at that time that I took up residence in Wadena and have never looked back. With almost 16 years of involvement in the School Division System, my career ended and I took on the role of working on our family farm full time. I really enjoyed my work in the school system and ran for the Board of Horizon School Division in 2016. This is now my second term as a Trustee, and last year I took on a small role as the Alternate for the Central Constituency Rep for the SSBA. I feel excited to have the opportunity to be nominated now to the Position as the Central Constituency Rep. I look forward to learning and growing with the SSBA at the Provincial Level and sharing back with the membership all of the valuable work that the SSBA Executive contributes to.
